**Priceless Beginnings**

**Annie Hammons**

Priceless Beginnings aims to increase awareness and provide resources and aid for domestic violence victims and their families. They seek to intervene and get the immediate needs and victims addresses

ASAP. They also have scholarship funds for seniors in Hollard and Academy.

Congrats to Sir Charles, woman of the Peoples

for finally ditching that lame, red-badge and getting her permanent badge.

If you're not sure if the show is for you...IT IS. We need all Lions to pitch-in.

- 1) SELL TICKETS
- 2) Come to Dress Rehearsal and help sort candy (Thursday @6)
- 3) Arrive an hour before the shows and help us sell candy and raffle tickets and hand out programs in the lobby
- 4) If you can come to every show, Mike Hamby needs back-stage help
