**TODAY'S PROGRAM: Lana Julian-Scott & White**

Today's topic was rarely discussed in the past. Domestic violence. There are many forms of domestic violence. Emotional, Physical, Sexual, Economic, Physiological, Technological, Gun just to name a few. Unfortunately it is up to the individual who is being abused to report it. Some of the myths associated with domestic violence are victims can leave easily, only women are abused. Abusers often isolate their victims so it is not easily seen.

Welcome new members John Fisher & Kathie Gover.

Don't forget it is a "all hand on deck" for the Lions Follies this weekend.

Safe travels for Charlie as she leaves for England on Thursday.
