Our very own lion Randy Dale, gave us a first person perspective inside the life of a sports official. He also confirmed that if the venue is big and loud enough, sports officials can't usually hear you heckling them, so save your breath. We had some technical difficulties getting his PowerPoint loaded so I will include it as an attachment on the broadcaster email.

Thanks to all who helped cook and serve burgers at the Bell County youth fair. We served over 400 people!
Bring FULL liquor bottles or wine for Emily's liquor wagon, contact Annie McCall with Silent auction items
