HAPPY NEW YEAR

TODAY'S PROGRAM: Laura Palmer

Today Laura Palmer who works for Wood Group in Belton spoke about sex trafficking. She started out working for a company called Traffick911 in Dallas and Laura has a passion for getting the word out there about sex trafficking. Laura stressed the items to be on the look out for are commonly social media, talk to the kids, cell phone usage, these traffickers are master manipulator and it only takes 1 time for them to take advantage of our youth. Once photos are sent there is no way of tracking them so they are out there forever. Most kids do not speak up. Be aware and speak up if you see anything.
