TODAY'S PROGRAM: The Jerry's

Temple Community Clinic is a fantastic new building that has been opened since Jan 2nd. Lots of great things on site for medical needs for the community. They have an onsite eye doctor, staff doctors, volunteers, med students, interns, etc. If you would like to volunteer your time please let them know. They have been in business since Oct 22, 1992. They have 7 exam rooms. The Caring Ball will be Feb 10th. Mike Russell outbid a few folks to win some tickets to the event. Our own Michelle will be President next.

We can see the finish line for the Reverse Raffle. Please remember to turn in your ticket stubs, money and any tickets you cannot sell each Wednesday at the meeting. Thank you for all your help so far. February 24th is just around the corner.
