TODAY'S PROGRAM: Tom Curtis

Today we had the honor & privilege of hearing from Tom Curtis. Tom was a POW for 7.5 years which calculates to 2703 days. His M-16 was broken on impact. He was captured with 3 other men. Upon arrival to Hanoi Hotel they were separated. Tom was moved 13 times while in captivity. He went from 165 pounds to 120 pounds. While in captivity they passed the time with entertainment of books, movies, church & choir. He was very grateful for Operation Homecoming and he DID return with Honor. If you were not there you sure missed out on this great man.

Congratulations to Rodney on his 3 attempts to win the pot. He had a lot of friends after the meeting.
