This Weeks Program: Phyllis Renfro and Dean Winkler

This week we had the pleasure of hearing from Phyllis Renfro with Amy's House. Phyllis is currently serving as Executive Director of Amy's House here in Temple. Amy's House is named after Amy Henderson Firth, who died suddenly in November 2012. Because Amy had chosen to be a donor, she lives on in the lives of at least 70 other people. Amy's house offers temporary housing near Baylor Scott and White for organ transplant recipients, live donors, and those who care for them. We also got to hear from Dean Winkler, who shared his incredible story of getting a new liver! Dean spoke about the challenges he had to face but expressed how important it was to rely heavily on his faith in God.

Fun Facts & Did you Knows?
