This Weeks Program: Rucker Preston- Family Promise

This week we had the pleasure of hearing from Rucker Preston with Family Promise. Family Promise's mission is empowering families experiencing homelessness to achieve sustainable independence through an outcome oriented, community-based response. In the past year they have been able to provide 8,273 safe shelter nights, 388 children served, 621 people served, and 582 people housed. Family Promise is community based with volunteers serving guest families multiple nights per week. They are outcome driven, providing a hand up not a hand out. Offering sustainable independence for all families that come through their doors.
