**This Weeks  
Program: Dr.  
Christy Ponce -  
Temple College**

This week we had the pleasure of hearing from Dr. Christy Ponce with Temple College. Dr. Christy Ponce has been President of Temple College since January 2019. Prior to that, she served as Executive Vice President at Lee College in Baytown, Texas. She also has held teaching and administrative positions at El Paso Community College and Austin Community College. Dr. Ponce spoke about Temple College recently celebrating 100 Years! She also spoke of the projects that were made possible by the 2021 Bond that was passed. This bond funded the Workforce & Visual Arts Center, Campus Service Center, Health Science Center and the TC Main Building & University Center.
